

HIGH SCHOOL DRIVER EDUCATION PROGRAM

Changes have been made to the way you register and pay for the Driver Education program.

How to enrol

You can sign up for Driver Education courses in two easy steps:

1. Go to our **CourseFinder** at mpi.mb.ca/DL/CourseFinder.aspx to view a list of available courses.*
2. Go to your nearest Autopac agent with your parent/guardian to pay and register for your course.

Registration for the **Summer/Fall Term** (July 1 to Dec. 31) begins in **May**. Registration for the **Winter/Spring Term** (Jan. 1 to June 30) begins in **November**. Please check our **CourseFinder** to see when you are able to register.

Identification requirements

You need to establish your identity to register for Driver Education. Please remember to bring the required identity documents to your Autopac agent when you go to register. For more information and to view a list of documents you can use to prove your identity, please visit our website at mpi.mb.ca, select *Driver Education* and then click on *Enrolling*.

Cost and course overview

There is a \$50 cost for Driver Education, which includes 34 hours of classroom instruction, eight hours of driving and eight hours of in-car observation. To qualify for a learner's permit you must be at least 15 ½ years of age.

How to register and pay

You can register and pay for the Driver Education program at any Autopac agent. Information on course start dates and locations are posted on our website, so you can find out right away if the course you wish to take is full.*

For more information go to mpi.mb.ca and click on *Driver Education*.

**Depending on your school and school division, you may be able to take Driver Education at another school. However, restrictions may apply as individual schools set their own rules on who may register for classes.*
