Non Sanctioned Grad Activities

While we are aware that these events often happen, the school does not support them:

- Grad Skip - extended
- Grad Camping

For the safety of our staff and students the following events can not occur:

- Grad Run
- Grad Prank

While we recognize that the Grad Parade was a long standing tradition, the school cannot take on the responsibility for the event considering past student behavior during the event and the ever increasing liability risk and potential for injury.
