- Grad Prank

GRAD EVENTS FROM THE PAST

As of 2016, the Grad Parade is no longer a part of the graduation activities for W.C. Miller.

While we recognize that this was a long standing tradition, the school cannot take on the responsibility for the event considering past student behavior during the event and the ever increasing liability risk and potential for injury.

We remind you to respect this change and encourage you to seek positive alternatives to a parade if interested.

Grad Checks

- Transcripts have been provided today along with the grad check form. Please ensure you have what you need to graduate

ISPL sections

- If your transcript notes an ISPL class for semester 2 it is likely for Phys Ed or some other mandatory course that can't be scheduled in the classroom. Please check with us if you are unsure which course it represents.
