

An Exemplary Student in Practical Arts Will Demonstrate...

Initiative ("Let's get started.")

Excellent time-management skills ("I know what I need to do to finish on time.")

Responsibility for their own learning ("I missed a class. What do I need to catch up on?")

Genuine interest in the course content ("That's interesting. I'd like to learn more.")

Critical thinking ("I'm not sure about that. Does it make sense?")

Perseverance ("I'm stuck, but I'm willing to keep trying.")

PRACTICAL ARTS CLASSES includes Carpentry, Computer Technology, Home Economics and Culinary Arts
