

Policy 17 – Safe Schools

Date Adopted: June 23, 2010

Date Revised: May 5, 2021

Date Reviewed: March 9, 2022

In accordance with the legislative changes accompanying the *Safe Schools Charter of Manitoba*, the Border Land Board is committed to working in effective collaboration with all of its education partners to ensure and enhance the safety of the Border Land schools and school communities.

The Superintendent/CEO must:

- 17.1 Ensure that each Principal will establish an emergency response plan for the school.
- 17.2 Ensure that each school review the divisional code of conduct and school emergency response plans at least annually.

In addition to the above, the Superintendent/CEO must ensure that the Division and each school review the divisional violence and threat risk assessment protocol annually.
